

# ELW PLUS

**Aircharge**

**IP68**

**Wireless Charging  
Waterproof Weighing Scale**

**World  
Exclusive**

✓ **EU-TYPE EXAMINATION CERTIFICATE : Number T10896**

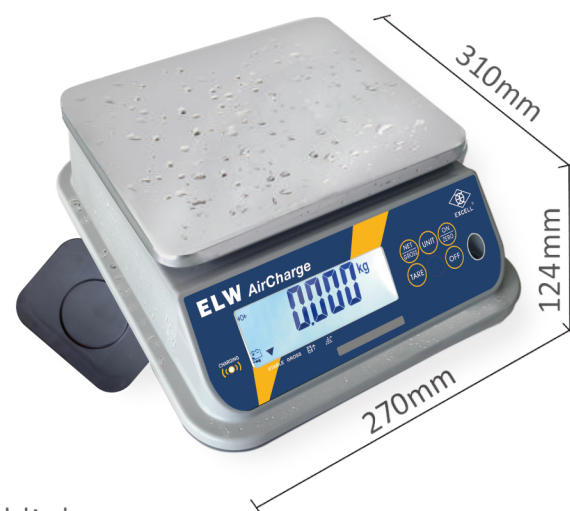

✓ **IP68 CERTIFIED BY SGS**

- ◆ High speed of 24 bits AD fast reacts and shortens the weighing operation duration.
- ◆ Sealed waterproof silica gel strip blocks water from infiltrating into the scale.
- ◆ Waterproof grade sheeting to ensure the water free.
- ◆ ABS housing makes the scale lighter.
- ◆ Aluminum frames coated with anti-corrosion treatment for longer lifespan.
- ◆ Portable and compact design, convenient to charge at home, public area, etc.
- ◆ Selectable units: Kilograms(kg), grams(g), pound(lb), ounce (oz).
- ◆ Battery can be easily replaced.
- ◆ Low power indication and auto power off.
- ◆ Well-designed protection point for transportation.
- ◆ Concave handle for easy carrying.

- ◆ LCD or LED display selectable.

Capacity	Division	Resolution
3kg	0.5g	1/6,000
	1g	1/3,000
6kg	1g	1/6,000
	2g	1/3,000
15kg	2g	1/7,500
	5g	1/3,000
30kg	5g	1/6,000
	10g	1/3,000

Operating Temperature: -10°C~40°C (14°F~104°F)

LCD Display: 35x108mm; 6digits, 25mm (height), LED backlight

LED Display: 35x108mm; 6digits, 15mm (height)

Power Source: 12V/1.5A (15W) output Qi TX module + 3.7V 6100mA (18650 lithium dual battery)

Dimensions: 270x124x310mm (WxHxD)

Weight of the Scale: Approximately 3.3kg
